

Geneva: Healing from the Planetary Heart Centre

Geneva's **Jet d'Eau** whose upright plume is a symbol of its **1st ray soul** and of spiritual aspiration reaching heavenward.

Transmission of Rays into Nations

The Five Planetary Centres and Their Jurisdictions

1. **London** For the British Empire.
2. **New York** For the Western Hemisphere.
3. **Geneva** For Europe, Russia.
4. **Tokyo** For the Far East.
5. **Darjeeling** For India and the greater part of Asia."

*****DK:** Referred to the **USSR** (which includes modern Ukraine), **hinting that He and the Hierarchy regard them as one entity** - ruled by the same rays and signs.

Geneva - heart centre of the five planetary centres: **1st ray soul** (politics) **2nd ray personality** (Love-Wisdom).

Geneva ruled by Leo – esoteric ruler **Neptune**, god of the waters – Geneva’s **Jet d’Eau** whose upright plume is a symbol of its 1st ray soul and of spiritual aspiration reaching heavenward, of the blood that pumps powerfully through the planetary heart.

This 2nd ray force is urgently needed to evoke the 2nd ray souls of Britain and USA.

And to counter the “panic narrative” - to move from **fear-based global politics** to love-wisdom and true Aquarian sharing.

Five Planetary City Centres: The Major Divisions of Modern Civilisation

1. London For the British Empire.

2. New York For the Western Hemisphere.

3. Geneva For Europe, including the U.S.S.R.

4. Tokyo For the Far East.

5. Darjeeling For India and the greater part of Asia.”

The Five Planetary Centres

Northern hemisphere emphasis between 52° and 27° north: Earth orientation to the north pole star, Polaris.

"Geography was part of the mysteries, in days of old. These secrets of land and sea were divulged *to the men of the secret science,* but not to the (exoteric) **geographers."**

"The Hindu books of science ... contain the most profound knowledge of **astronomy and geography."**

(The Secret Doctrine II, H. P. Blavatsky. P.9.)

Indeed, the Alps of Switzerland and Europe
The sinking of the **Atlantis** - the **group of continents**
and islands ... first in the *final disappearance of the*
largest, an event coincident with the elevation of the
Alps, and second in the sinking of the last of the fair
islands mentioned by Plato."

(The Secret Doctrine II, H.P. Blavatsky.p.751.)

Geneva's motto: "**I seek to fuse, to blend and serve**" – befitting its 2nd ray personality.

Geneva - ruled by **Leo the lion-heart**, polar opposite of **Aquarius**, the personality sign of **Switzerland**:

"The force which the centre at **Geneva** is expressing ... is that of the second Ray of Love-Wisdom, with its major emphasis at this time upon the **quality of inclusiveness**.

It is concerned with the "**binding together in brotherly love**" and with the expression of the nature of service.

This planetary centre, which conditions the little country of **Switzerland** has had a most potent effect upon that country and a study of these effects will demonstrate **future possibility for the world.**" (EA521)

“**[Geneva/Switzerland]** has enabled two relatively antagonistic divisions of the Christian faith to work together with a minimum of friction ...

... it has made **Geneva** the origin of the Red Cross—that world activity which works impartially with and for the **nationals of all countries and for the prisoners of all nations** ...

... it housed that sad though well-intentioned experiment which was called the **League of Nations** ...

... it is that which has protected that small country [neutrality] from the aggressive sweep of the **Axis powers** [WWII].”
(EA521)

Indeed, there are 1,000's of NGO's associated with Geneva.

Hence, what better planetary centre (Geneva – Leo) and nation (Switzerland – Aquarius) - with an historical reputation of neutrality – to “bind together in brotherly love” - two 2nd ray souls (UK-USA) and two Aquarian souls (Russia-USA)?

Aquarius, ruled by Uranus – the ruler of the seventh ray of Ceremonial Magic or Order, also links to the **seventh soul ray of Russia** – in this **new 7th ray cycle**.

Therefore, to **simmer the *antagonism*** emanating from the UK-USA-NATO war-hawks – we use the very **simple but potent visualisation** – using the triangle of USA, Britain and Russia – with Geneva placed at the centre.

Cities & Nations: Ray & Zodiac Rulers

Given that Switzerland is an Aries soul and that this is an Aries full moon period, perhaps we can invoke the soul of Switzerland during this conference. For new ideas to flow forth from the soul of this nation.

City or Nation	Soul Ray	Personality Ray	Soul Sign	Personality Sign
Switzerland	Not given	Not given	Aries	Aquarius
Geneva	1	2		Leo
Britain	2	1	Gemini	Taurus
USA	2	6	Aquarius	Gemini
Russia	7	6	Aquarius	Leo
London	5	7	Leo	Libra
New York	2	3		Cancer
Washington			Cancer	Sagittarius
Moscow			Taurus	Aquarius

This third day of the conference will be challenging, as we have reached the impasse which we all knew would emerge - the diametrically opposed views on Russia and Ukraine - by various presenters and participants.

Here is where we must adopt Aries' polarity - Libra, instead of going head to head like the proverbial **Aries battering Ram**, cultivation of the Libran middle way, **Libra the Peacemaker** - is a key to resolving conflict.

As a co-worker who has been following this conference said, "Unification is result of soul expression, it is not cause - this needs to be kept in mind. The cause is always at the causal level and **one reaches the soul only after building the middle way**, the way out of the maze. The middle way is the subtle soul itself."

Indeed, **Libra governs the narrow razor-edged Path that runs between the pairs of opposites** and if safely trodden, “requires the development of a sense of values and the **power to utilise rightly the balancing, analytical faculty of the mind.**”

Libra governs the balancing of the pairs of opposites upon the mental plane.

The Tibetan says it can be achieved through the use of the **judicial mind** (as in justice, law) that the scales cease to swing from one side to the other – where **equilibrium is achieved and the middle way is seen.**

Let us bear this in mind as we navigate our way through these challenging times, as Servers of The Plan and in anticipation of the **Aries full moon period** that we have now well and truly entered.

City or Nation	Soul Ray	Personality Ray	Soul Sign	Personality Sign
Switzerland	Not given	Not given	Aries	Aquarius
Geneva	1	2		Leo
Britain	2	1	Gemini	Taurus
USA	2	6	Aquarius	Gemini
Russia	7	6	Aquarius	Leo
London	5	7	Leo	Libra
New York	2	3		Cancer
Washington			Cancer	Sagittarius
Moscow			Taurus	Aquarius

And so, we can invoke the **Aries soul of Switzerland** and its polar opposite **Libra**, drawing upon **Geneva's motto**: "I seek to fuse, to blend and serve" – befitting its 2nd ray personality.

Switzerland's neutrality is perfectly expressed by its Aries polar opposite **Libra**. In the table below, the only other **Libra expression** in this triangle of nations is the **Libra personality of London**.

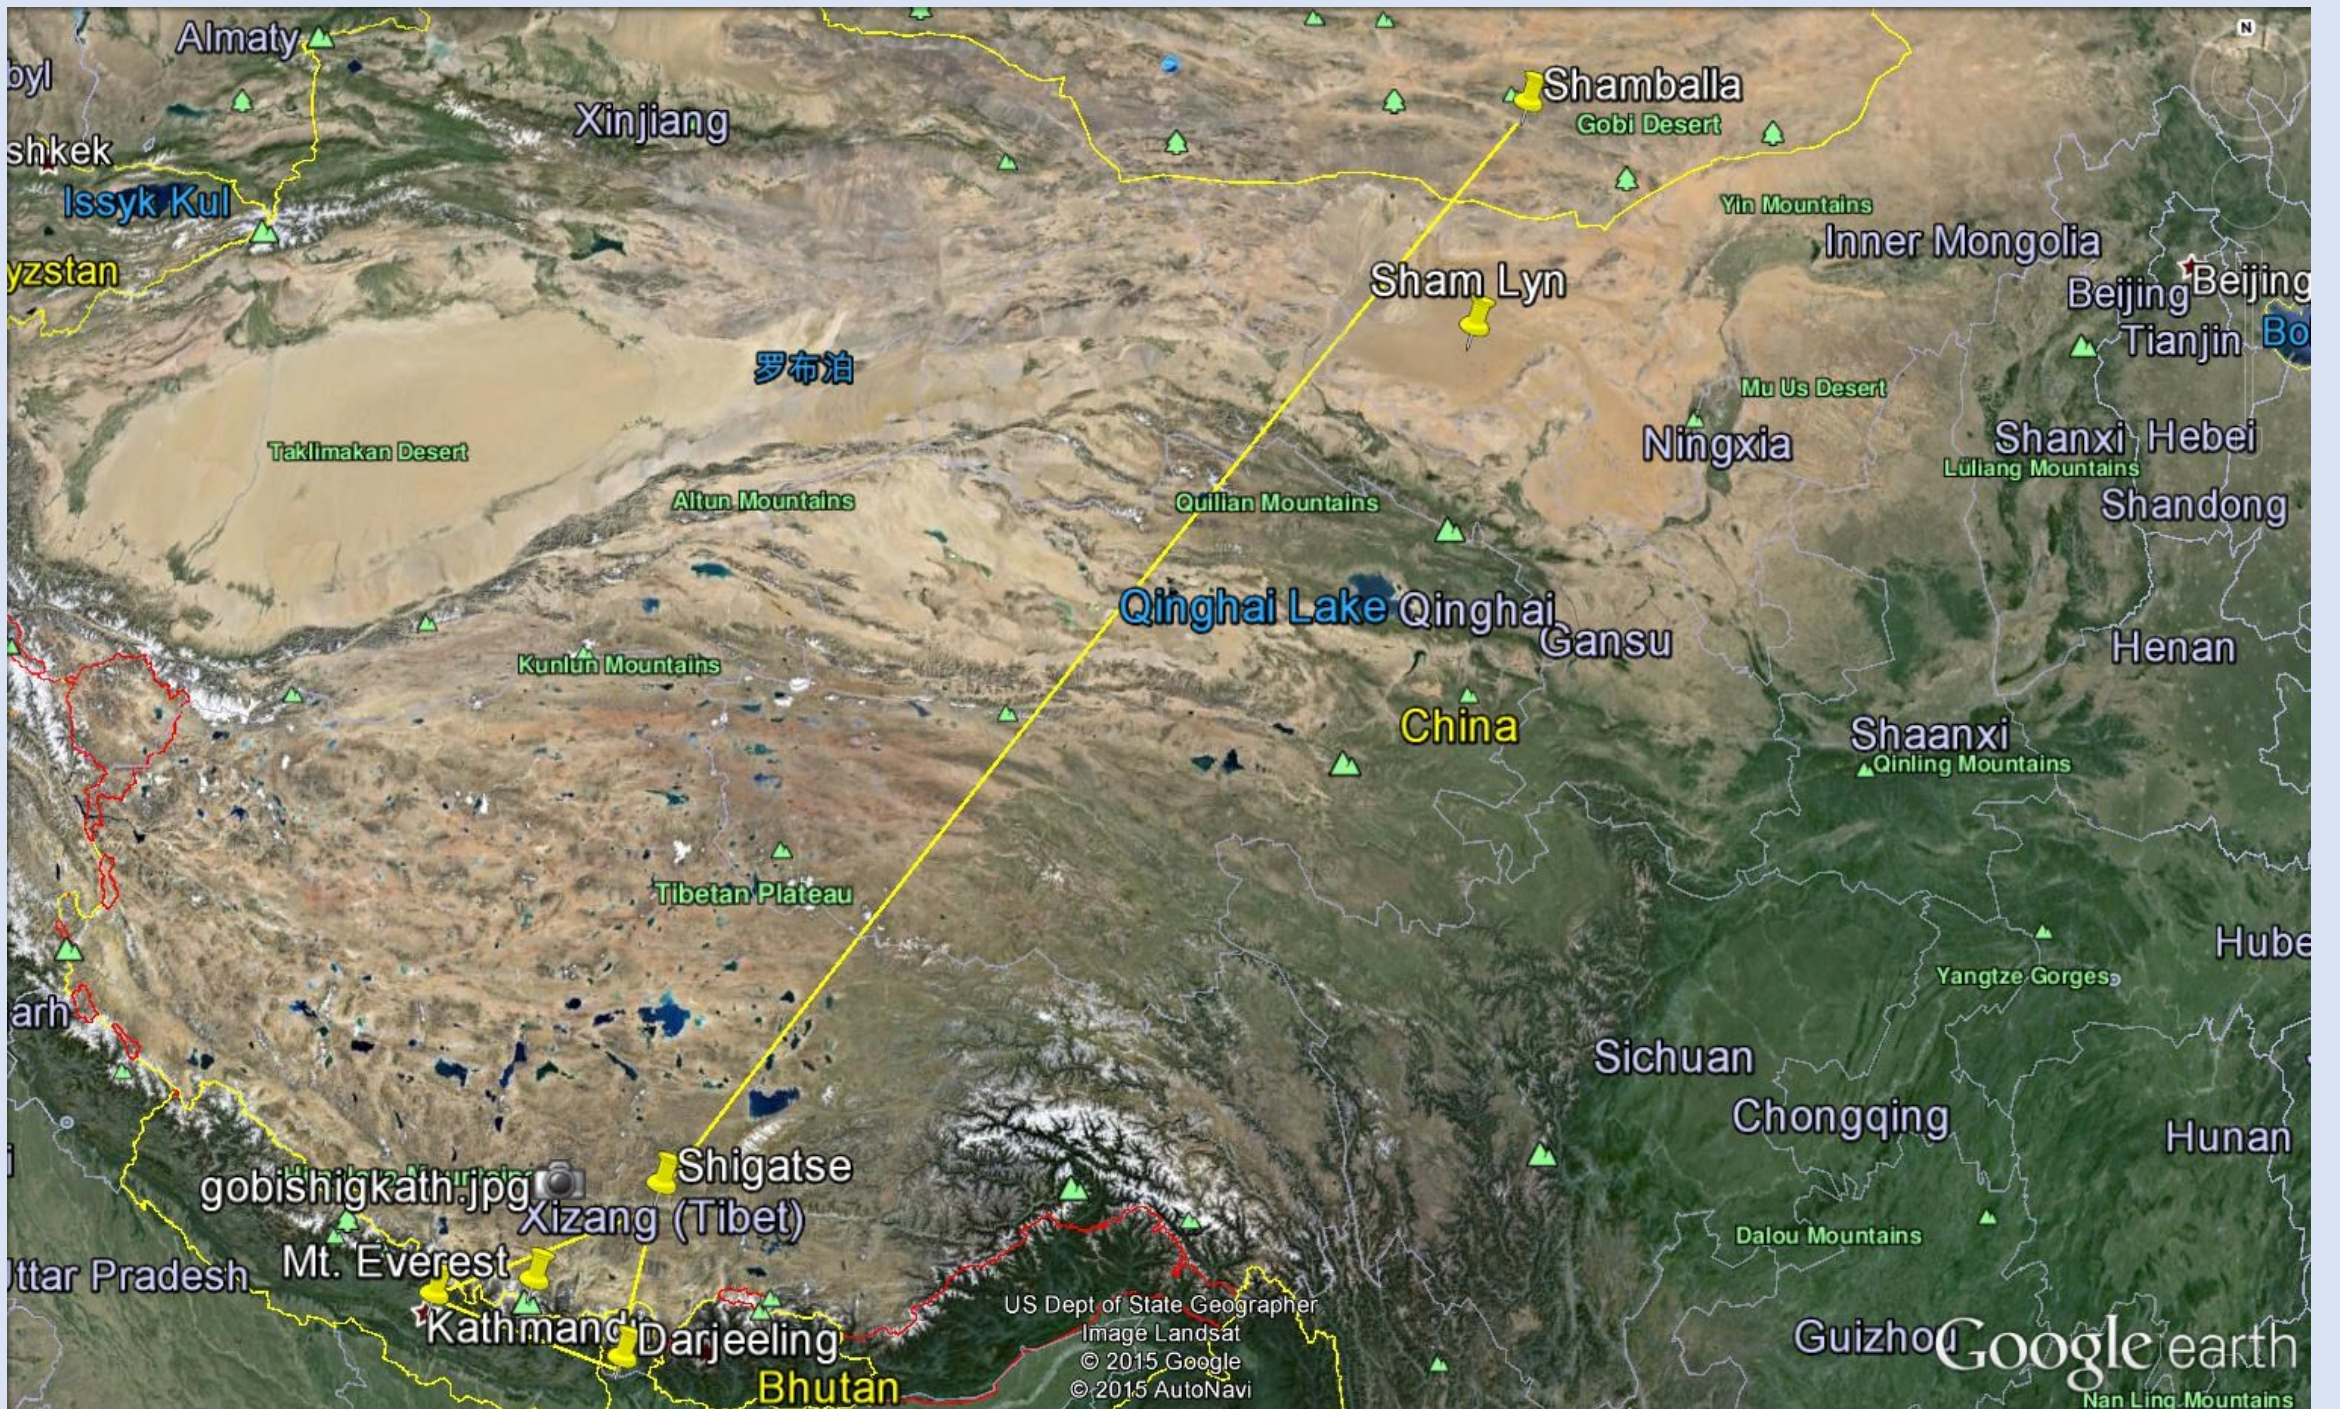

BUT, **Scandinavia is a Libran soul** and the seat of the Nobel Peace Prize. **Austria** is the only other European nation with a **Libran soul** and adjoins **Switzerland**, along with **Aries soul Germany**. Can we invoke the souls of these nations to bring balance to the warring forces in Europe?
