# The New Schools

"... the Masters ... purpose a movement that has in view the harnessing of the lower mind through the instrumentality of the people themselves ...

... With this object in view They plan to utilise the incoming **Ray of Ceremonial Law or Organisation** [Seventh Ray] ... following the coming of the Great Lord to start these schools and bring to the consciousness of men everywhere the **following four fundamentals**:—

**a. The evolutionary history of man** from the mental side.

**b. The septenary constitution of the macrocosm and the microcosm.**

**c. The laws governing man's being.**

**d. The method of occult development.**

... when they are producing **scholars and workers, politicians and scientists and educational leaders who make their impress on their environment**, then mayhap will come the time for the founding in exoteric fashion of the true occult school ...

... if the earlier schools and colleges do their work satisfactorily, they will have **demonstrated to the world of men that the subjective is the true reality.**

This subjective reality being universally admitted will, therefore, permit of **the founding of a chain of inner schools** ... that will be publicly recognised."

And so, the **Aquarian Wisdom Centre & Retreat Association** seeks to sow a future seed ...

We are a non-profit group set up for the sole purpose of esoteric education, meditation and community living – in the true spirit of Aquarius!

This proposed teaching centre in Portugal will be a facility available for every serious student from any nation, who can contribute to its development and expansion.

The manifestation of the centre will come about through a donation fund.

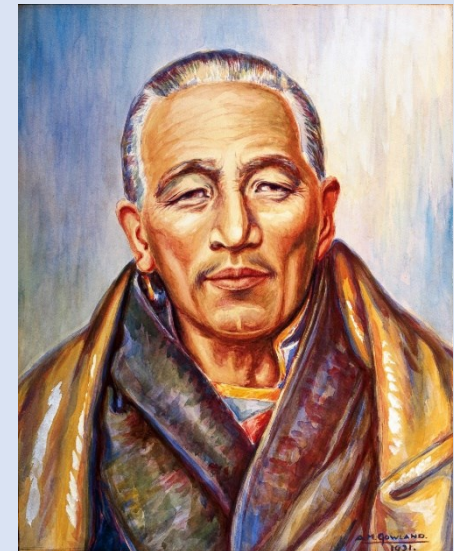

The association's board of directors are steeped in the Ageless Wisdom philosophy – as disseminated through esoteric teachers such as Alice A. Bailey (AAB), H. P. Blavatsky and Helena Roerich.

Our goal is to help establish a teaching centre  
– based upon a recognised need, stated by  
AAB’s teacher – The Tibetan Master Djwhal  
Khul:

**“Europe is the field for the education of  
the world in the ideas of a true world  
unity and for the wise presentation of the  
Plan, from that continent can the  
inspiration go forth to the East and the  
West”.**

- **Portugal** has a deep history of the **Knights Templar**, keepers of the Mystery Tradition. It was in fact, this group that helped bring about the formation of modern Portugal in 1143 A.D.

- **Portugal** is sometimes referred to as **Port-u-gral, or Port of the Grail**, as in the Holy Grail associated with the Christ, head of all the ashrams, The Masters of Wisdom, Archangels and Humanity.

- **Portugal** is the **“mother” of Brazil**, home to the seed of the emerging Sixth Rootrace, as described in the Ageless Wisdom.

- **Portugal** is a country blessed by abundant sunshine, beaches and natural beauty – a good place to visit and regenerate in retreat!

## The Vision

The multi-fold vision for the Aquarian Wisdom Centre and Retreat is for **esoteric education, a haven/retreat, community and sustainable living.**

Esoteric Education includes **all facets of the Ageless Wisdom teachings** – esoteric astrology, psychology, healing, meditation etc.

The creation of an esoteric library.

## **Haven & Retreat**

The cultivation of those qualities that foster peace and tranquility through lifestyle and the promotion of right values.

The creation of an oasis of light, love and wisdom.

## **Community**

Incorporating a united vision through right relationships, mutual support and sharing. A global community and/or a physical live-in/on community.

## **Sustainable Living**

It is envisaged that the retreat centre incorporate the values of self-sufficiency using modern and developing technologies - solar power and wind, agriculture, permaculture, water catchment etc.

Gardens, orchards, vegetables, ornate gardens of beauty – for contemplation and service.

## Retreat Activities

**Year Round Retreats** Open to all esoteric groups (AAB, HPB, HR) or individual teachers around Europe - or from anywhere in the world.

**Regular Local Retreats** For Portuguese groups – in Portuguese and/or English.

**Full Moon Meditations** Including the solstices and equinoxes points of the cardinal cross.

**Courses, Workshops, Conferences** On the ageless wisdom, astrology, meditation – weekly, monthly, annually.

## The Property

To set an initial foundation for community living and retreats, it is envisaged that a property for purchase will be a fairly large villa style of about six bedrooms or more – with a large kitchen and living areas for meetings and workshops.

Possibly in the Alentejo or Algarve area of Portugal about two hours south of Lisbon.

It is also planned to have a large land area (5-10 hectares) – for cultivation, recreation, gardens, possible swimming – and enough room to expand accommodation of cabins, yurts, caravans etc.

## DONATIONS

So far, in the past couple of years the Aquarian Wisdom Centre's activities have been confined to monthly meditations and webinar presentations for each zodiac sign.

Recently however, we began a weekly popular course - **The Mysteries Unveiled**, which has run so far for 20 of its projected 40 weeks.

For all these activities, including this our first conference we have built up a significant fund of donations that will go toward the eventual purchase of property.

Yet the price tag for such a property is a sum that is nowhere near in our reach currently.

Hence, if you share the inspiration of our vision, you can make a donation to our fund at our website under DONATIONS at ....
