

PROPAGANDA

The Problem of Propaganda and World Glamour

“I tell you that humanity is everywhere spiritually minded and **that the new race, the coming civilisation, and the new age culture** will be found throughout the world—the universal inheritance of the human race.

But everywhere humanity is the victim of propaganda—a propaganda which can only be seen in its true light when [wo]men think in terms of human liberty; when they together take the needed steps to ensure human happiness, and learn in so doing to face world conditions as they are, **not hiding their heads in a dream world of their own making.**” (EXH236.)

“Mass-formation” – Matthias Desmet

Gemini is related to all three themes of media, communications and propaganda – with the addition of the sign Scorpio, whose keynote on the “ordinary wheel” is, **“*Let maya flourish and deception rule*”**. Pisces and Neptune are also prominent in their lower expression.

Gemini is known in its lowest expression as deceptive or two-faced – the trickster and prankster, con-man and chameleon.

Scorpio was the sun sign of Enigma machine inventor Arthur Scherbius, Edward Bernays - the “father of propaganda”, the CIA (Scorpio rising), Anthony Fauci (Scorpio moon) and Bill Gates (Sun, Venus Saturn).

Propaganda is about promotion – not necessarily of untruths – but also the timeless verities. When considering the evolution of media and propaganda from early last century, to the sophisticated refinement it has reached today – aided by many new “mind-reading” technologies and techniques, it is staggering how easily Humanity has been kept in the dark and under the control of the “Dark Forces”.

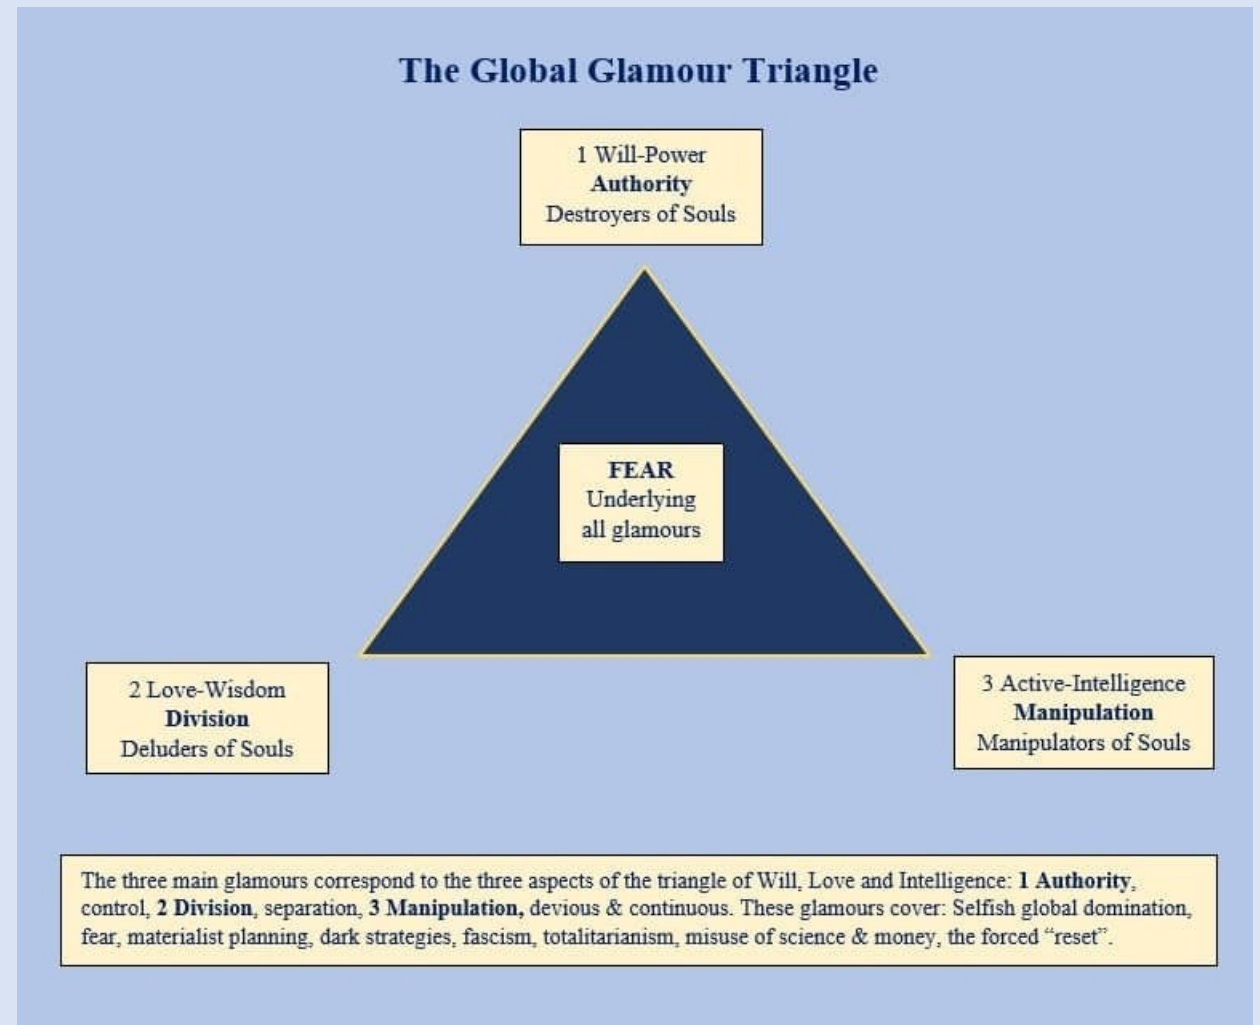

Propaganda and cultural conditioning can influence a person's entire life, so much so - they are entirely unaware that they are living in a bubble of illusion.

The Tibetan tells us that 75% of Humanity are still polarised in Atlantean consciousness, i.e. emotionally polarised, hence are subject to GLAMOUR.

Neither are the "spiritually advanced" immune from glamour, hence The Tibetan's book on the problem which is divided into three sections of Illusion, Glamour and Maya.

A shocking example has been in the past few years of Covid propaganda, now overwhelming demonstrated to be an attack by the Materialistic Forces on Humanity - is how many spiritual groups and leaders fell obediently into line with the mainstream narrative.

Glamour a World Problem

Numerous conversations with co-workers, some of whom were leaders of large spiritual groups, who said things like, “whats wrong with those good, decent people from CNN”.

Nothing of course, they are mainly people of goodwill, intelligent, loving but lacking a discrimination that allows them to be used as robots working in the news misinformation mill.

ABC in Australia, BBC in Britain etc. etc.

In the coronavirus saga we saw the spiritual community – along with the rest of humanity, succumb to **an unprecedented media bombardment of propaganda and fear**. The extraordinary division of opinions and perceptions is derived essentially from two poles of **conventional versus alternative medias**.

One camp has relied upon a “trusted” media that has been passively absorbed for decades – without any real question, like comfortable old slippers.

Whilst the other camp has informed itself across a broad spectrum of mainstream and alternative media. Those individuals have found **mainstream “programming” insufficient to their needs, realising also that concentration of media ownership** lies in the hands of only several companies, limiting a broader range of viewpoints.

Another third group has remained neutral and their reticence in taking a position is a deafening silence.

THE FOUR FREEDOMS

FREEDOM OF
SPEECH

FREEDOM OF
WORSHIP

FREEDOM FROM
WANT

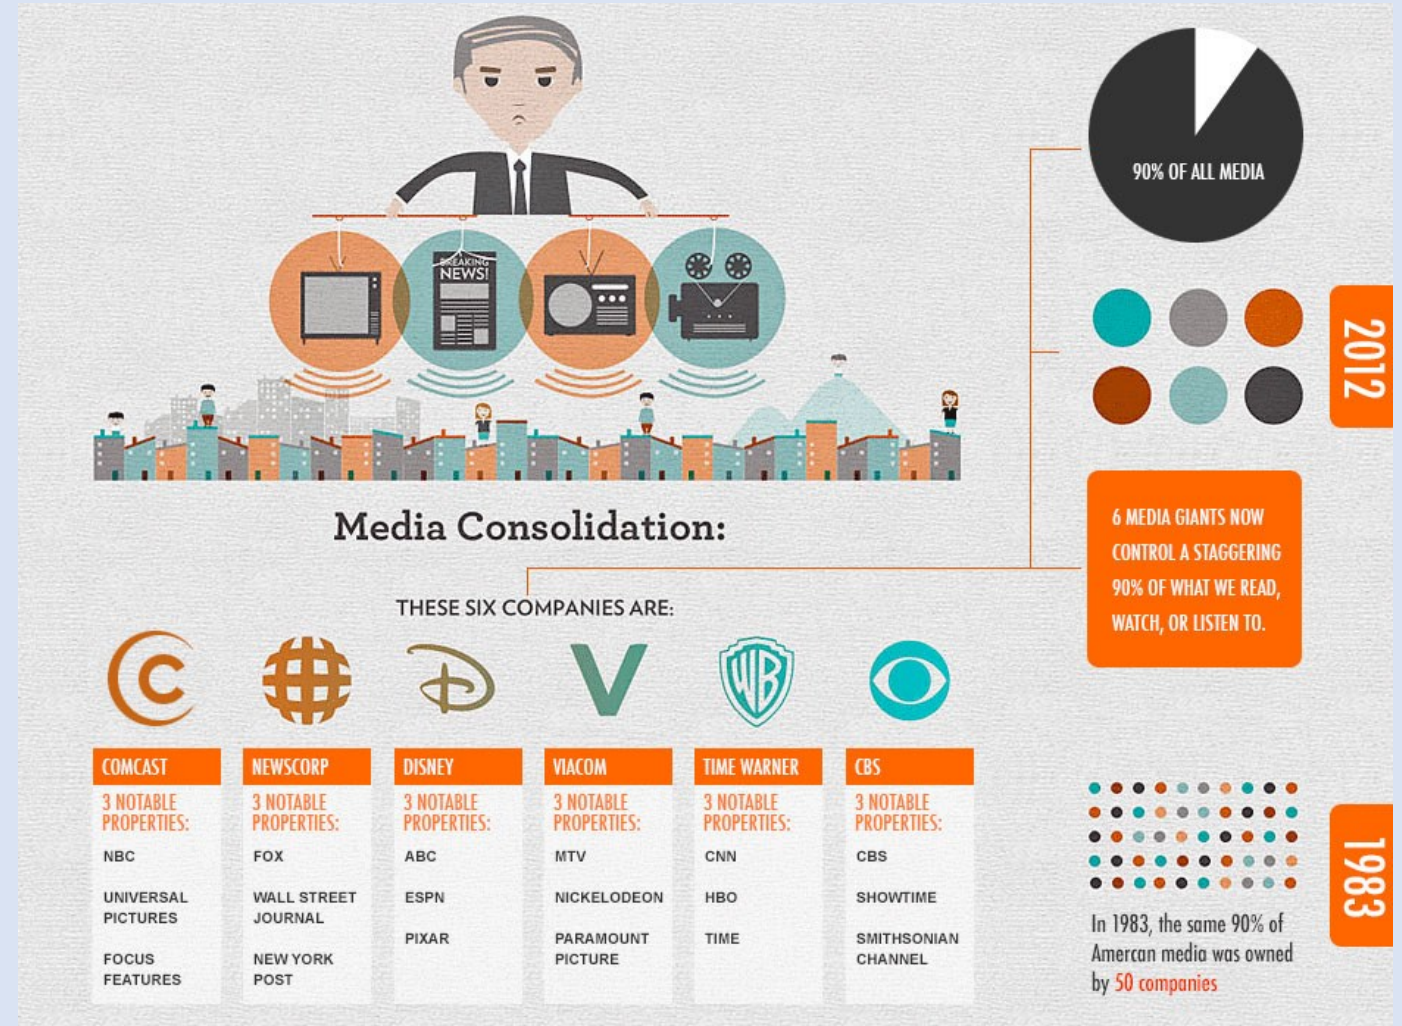

FREEDOM FROM
FEAR

Hence, during the Coronavirus crisis, those who have gone along with **media and medical propaganda**, have based their decisions about mask-wearing, social distancing or vaccinations – upon continuous consumption of a **narrowly corralled newspaper media, internet and television perspective**; they have thoughtlessly lent their voices to the mass public chorus of “conspiracy theory”; they have dismissed out-of-hand, thousands of other perspectives by medical and scientific experts around the world – without bothering to read and reflect upon those views; they have also not considered the alarming limitation of liberties such as **loss of the “Four Freedoms” and how governments around the world have illegally imposed new laws.**

Hence, this portion of the **spiritual (and wider) community** have scant information about what is really going on and have made up their minds on the “**authority of science**” and other **pseudo-authoritative bodies**.

Media ownership is now concentrated into just several behemoth corporations – giving the power to send one bland message to the masses.

Those few corporations work closely with other larger entities such as WHO, WEF, CDC, charitable foundations and trusts, medical research laboratories, university institutions etc.

DWELLER

Hence, it is easy to see how well meaning disciples can be easily deluded through their assimilation of ideas throughout their lives.

This is why The Tibetan called the esoteric groups the most glamourous: **“Occult bodies and esoteric groups are, at this time, the most glamourous of any of the world groups”**.

How those **ideas, not necessarily of high quality originally**, became further distorted and compromised through the personal lens of life experience and **misplaced idealism**.

How **groups** with which one may have been associated, **affirmed and confirmed belief** in the rightness of their views, when in fact **they were being played all along** by the **social engineers and propagandists**.

Here is where the diverse views about **Left and Right politics** come into play, Democrat-Republican, Tory-Labour etc.

Where illusions are fostered that if you do not buy the Covid narrative, you must be a Trump supporter.

That if you believe the pro Ukraine narrative is a pack of lies, then you are anti American, anti democracy.

We can see how in the last few years, due to the astral plane's propensity for inversion, aided by strong stimulation from lower Neptune and the Materialistic Forces, that everything has been turned **upside down, inside out and back to front!**

For the past few years, there has been a widespread infiltration of an **particularly exploitive agenda into all nations – by cabals, world bodies, corporations and governments.**

These **“new fascists”** (mostly) do not have the appearance of a **Hitler bogeyman**, they will look and sound **“fair and reasonable”**, **dressing up their plans in ideologies that should be desired and are politically correct.**

The world has been deliberately confused, confounded and divided by the above-mentioned forces – in order to dominate, control and exploit humanity.

At this critical juncture in history, leading up to the great event of the 2025 Conclave, communities cannot allow the forces of **separativeness** to succeed in their task.

Division - divide and conquer the oldest trick in the book!

“I seek to see you free yourselves from the condition where you are **swayed by propaganda of a political, national or religious kind**, and deciding for yourself **where you, as a soul, must stand in this world crisis** and on which side you will place the emphasis of any influence you may wield.

I would have you note where your highest ideals will lead you and ***whether the springs of your life's decisions and attitudes are truly pure and unadulterated.*** (EXH228)
