Let us reflect for a moment upon **what is Europe**, as this map depicts:

From Portugal and Britain in the West, to the western portions of Russia and Turkey in the East.

From Scandinavia in the north to the Mediterranean nations in the south.

This is Europe.

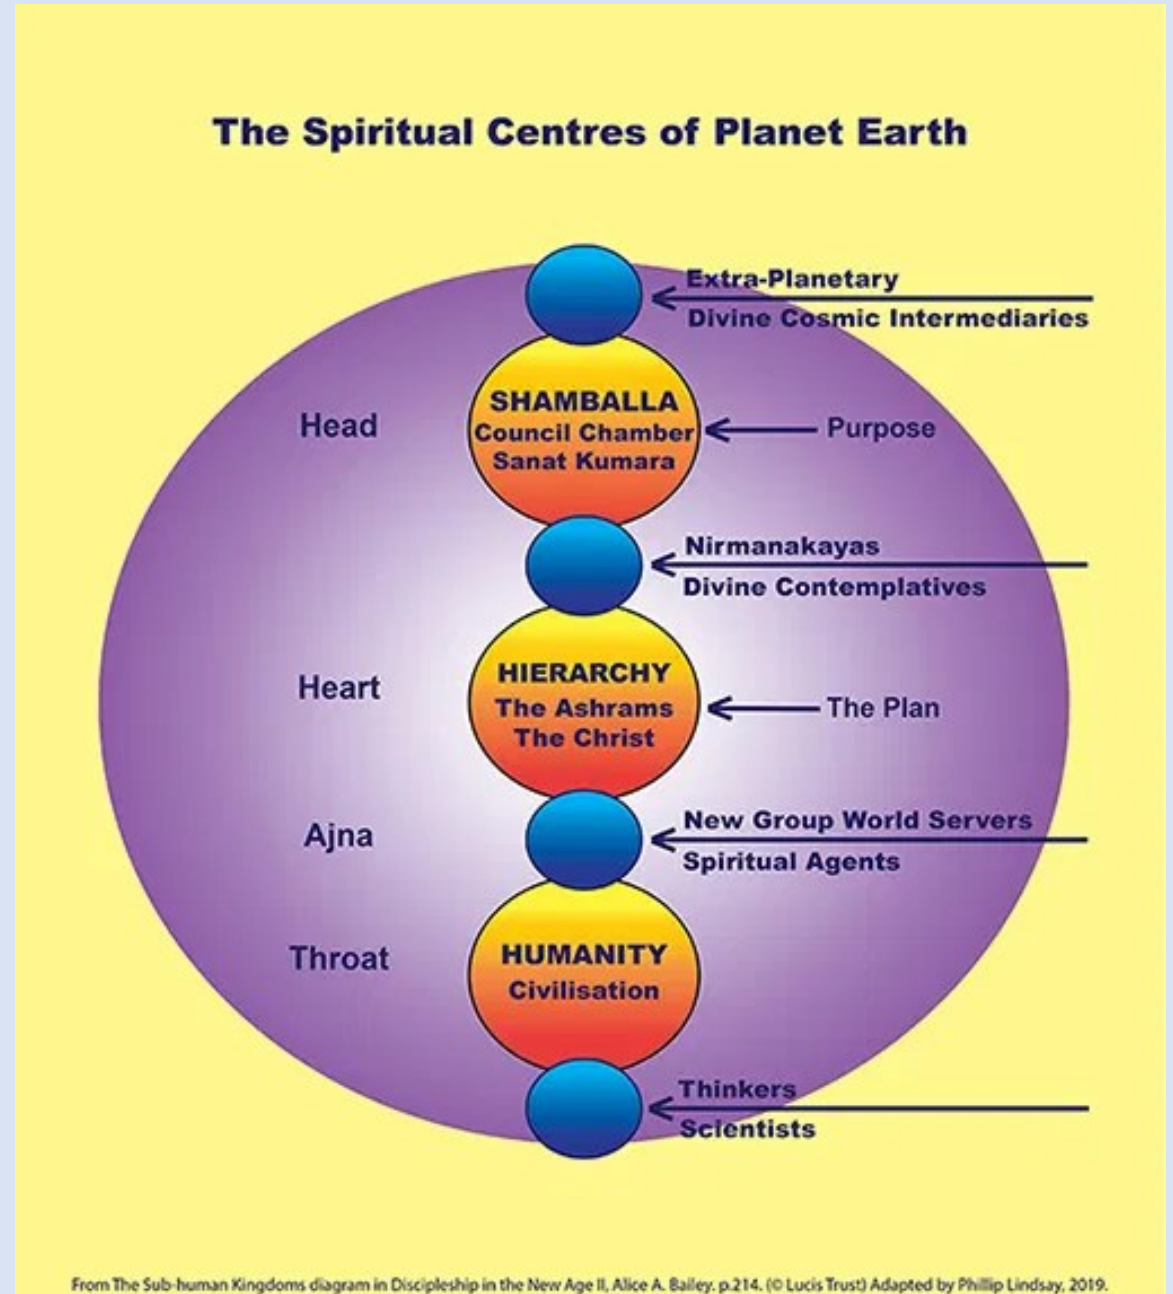

Let us now ponder upon the three major planetary centres for a moment:

Shamballa, Hierarchy and Humanity:

The planetary head, heart and throat chakras.

We note the centre between Hierarchy and Humanity, the **New Group of World Servers (NGWS)** of which many of us are a part.

The NGWS is the bridge between Hierarchy and Humanity.

Let us come into alignment

individually and as a group, by sounding the OM three times – imagining our group today, standing in an unifying circle of radiant light ... connected heart to heart and mind to mind.

Sound OMs, toll bowl.

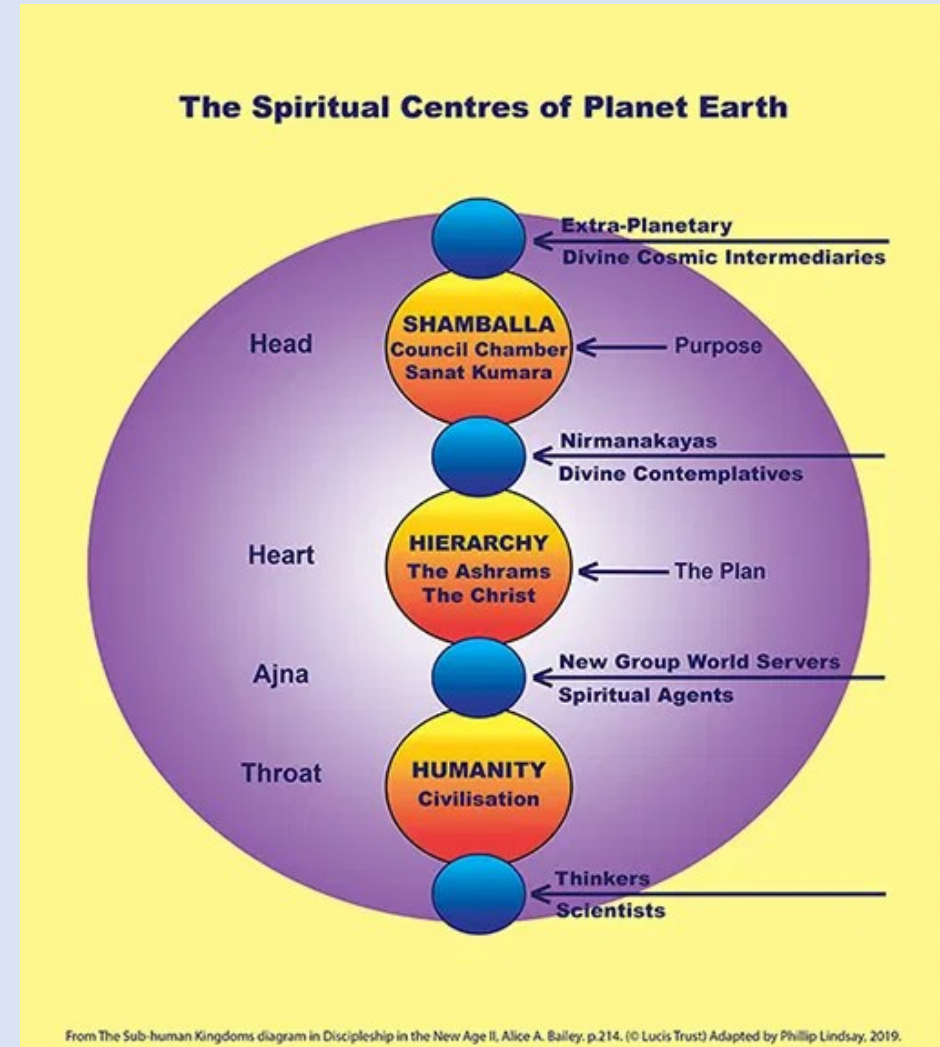

We visualise the light of the group personality, cohesive, integrated and aligned ... with the greater radiance of the group soul ... directing our combined light emanating outward in service ... toward the Unification of Europe.

We vision the group soul ... anchored within the NGWS, the planetary ajna centre – the bridge between Hierarchy and Humanity.

The NGWS serves as the Eye of Sanat Kumara - watching over the world.

We then extend a penetrating laser light through Hierarchy, into **Shamballa** - the centre where the will of god is known.

We invoke the Lord of the World and the right precipitation of the Planetary Plan.

Likewise, we direct another luminous shaft of light toward Humanity.

And so we bridge the higher to the lower in our light-weaving of the planetary rainbow bridge.

The NGWS serves as the Eye of Sanat Kumara.

Let us ponder for a moment upon the theme of this conference:

European Unity: Toward Global Unification – inspired from this passage by The Tibetan:

“Workers increasingly will be drawn to Great Britain and to the continent of Europe. From the United States of America the teaching must go out.

But Europe is the field for the education of the world in the ideas of a true world unity and for the wise presentation of the Plan, from that continent can the inspiration go forth to the East and the West”.

(Discipleship in the New Age I, Alice A. Bailey. p.161. Written in 1935.)

Let us ponder upon this statement for a moment:

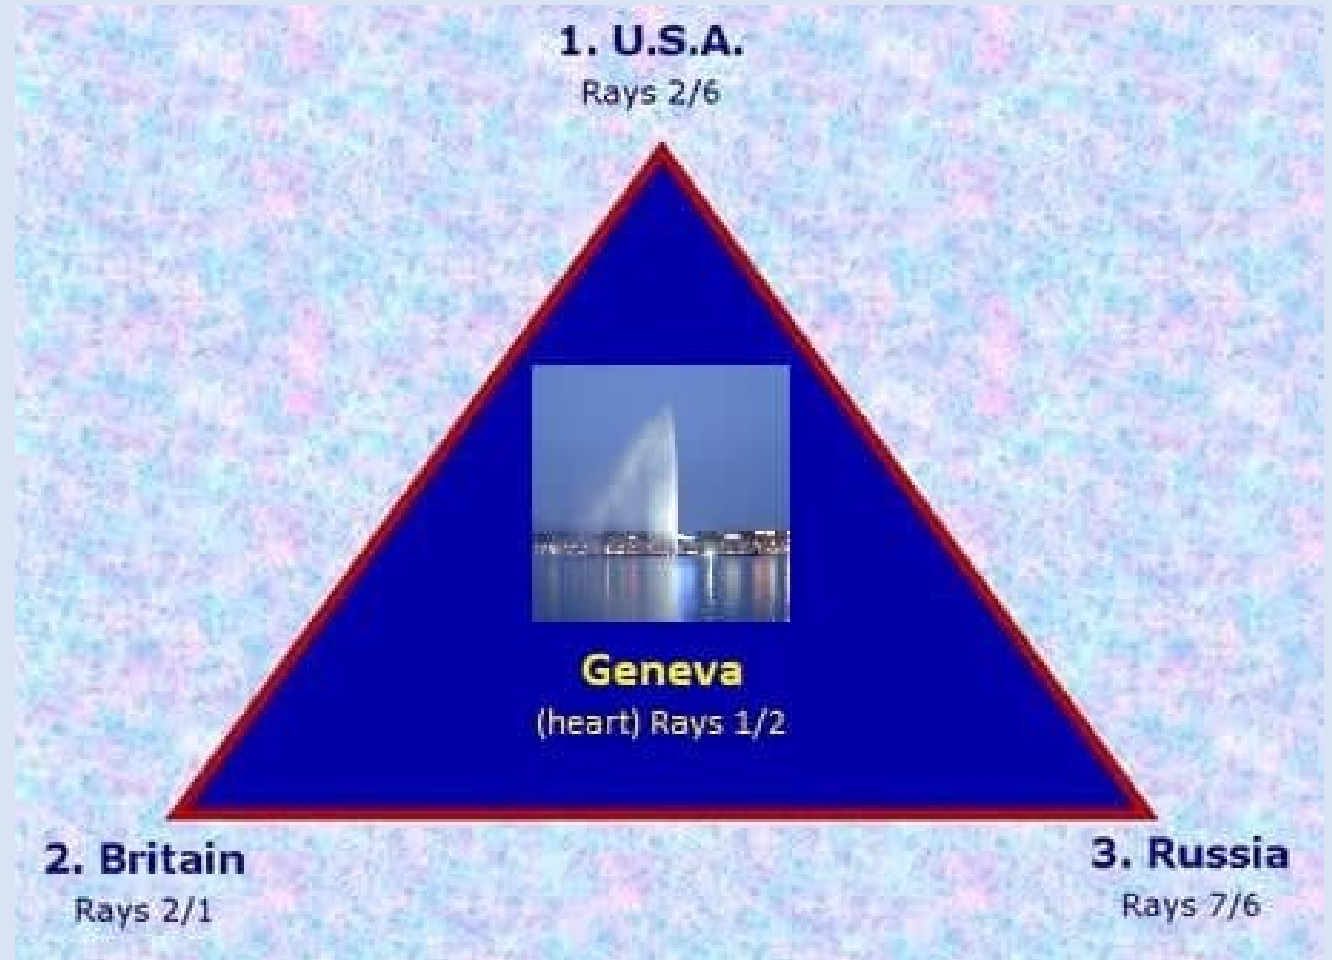

“**Europe** is the field for the education of the world in the **ideas of a true world unity and for the wise presentation of the Plan**, from that continent can the inspiration go forth to the **East and the West.**”

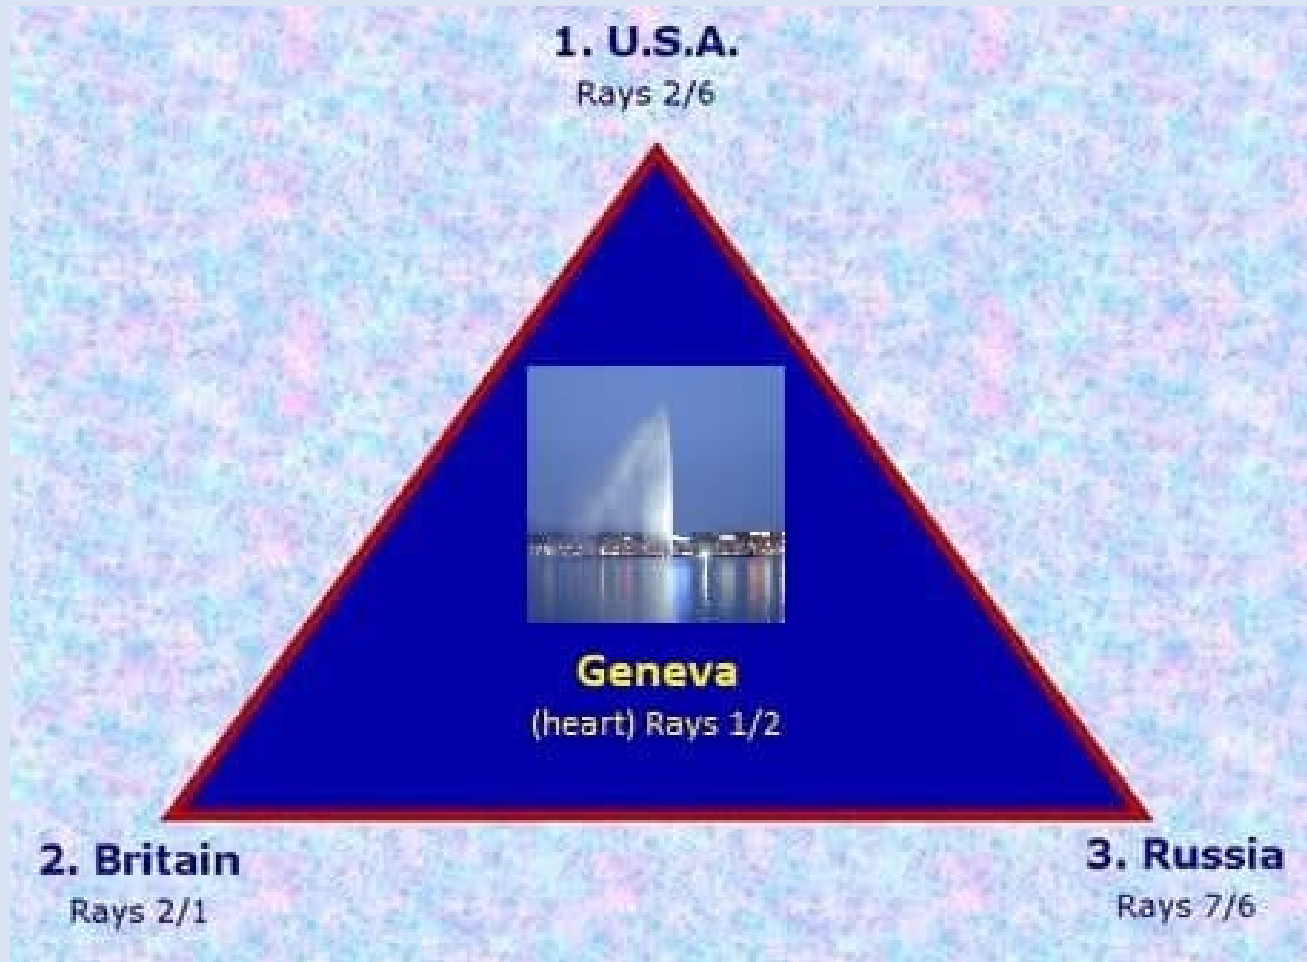

And in his role as **Regent of Europe**, we invoke the aid of **Master Rakoczi**, also known as **St. Germain**, who works very closely with the one we all **The Christ.**

... And so now, during this global crisis where a large part of it is focussed in Europe, we direct our attention toward the **triangle** of **Russia – Britain - USA** ... with which we are all familiar.

We recognize that **Europe is the mother of the USA.**

We visualise the luminous points of the triangle, the souls of those nations – **indigo blue Love-Wisdom** and **violet Ceremonial Order**

... We invoke the assistance of the daevas or angelic kingdom in their sacred ceremonial duties

We visualise vibrant energy **continuously circulating around the three sides of the nations triangle**, creating harmony and balance ...

... Let us hold this potent visualisation for a minute, seeing the **planetary heart centre – Geneva**, as an harmonising **eye within the triangle**.

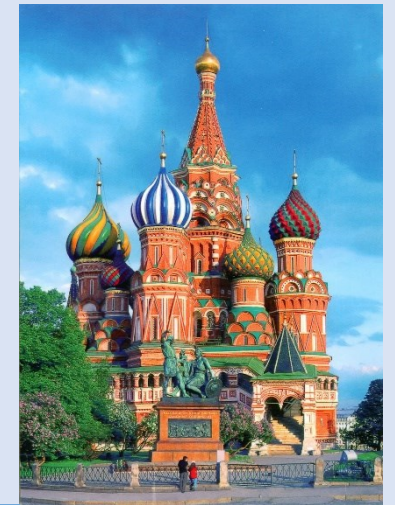

Let us also reflect for a moment upon the **Aquarian souls of USA and Russia**, whose dharma is to lead Humanity into the Aquarian Age

We pour the light of our group soul through the three cities of these nations: **NYC, London and Moscow** - nourishing them with the energy of Love-Wisdom - the soul ray of the Western Hemisphere.

... And as we do so, we note the increased vibrancy of the forces circulating around the nations triangle.

We ponder upon the mottos for these nations:

USA I light the Way.
Britain I serve.
Russia I link two Ways.

We return our attention to **the planetary heart centre – Geneva**, as a synthesising centre within the three nations triangle ... and for Europe as a whole.

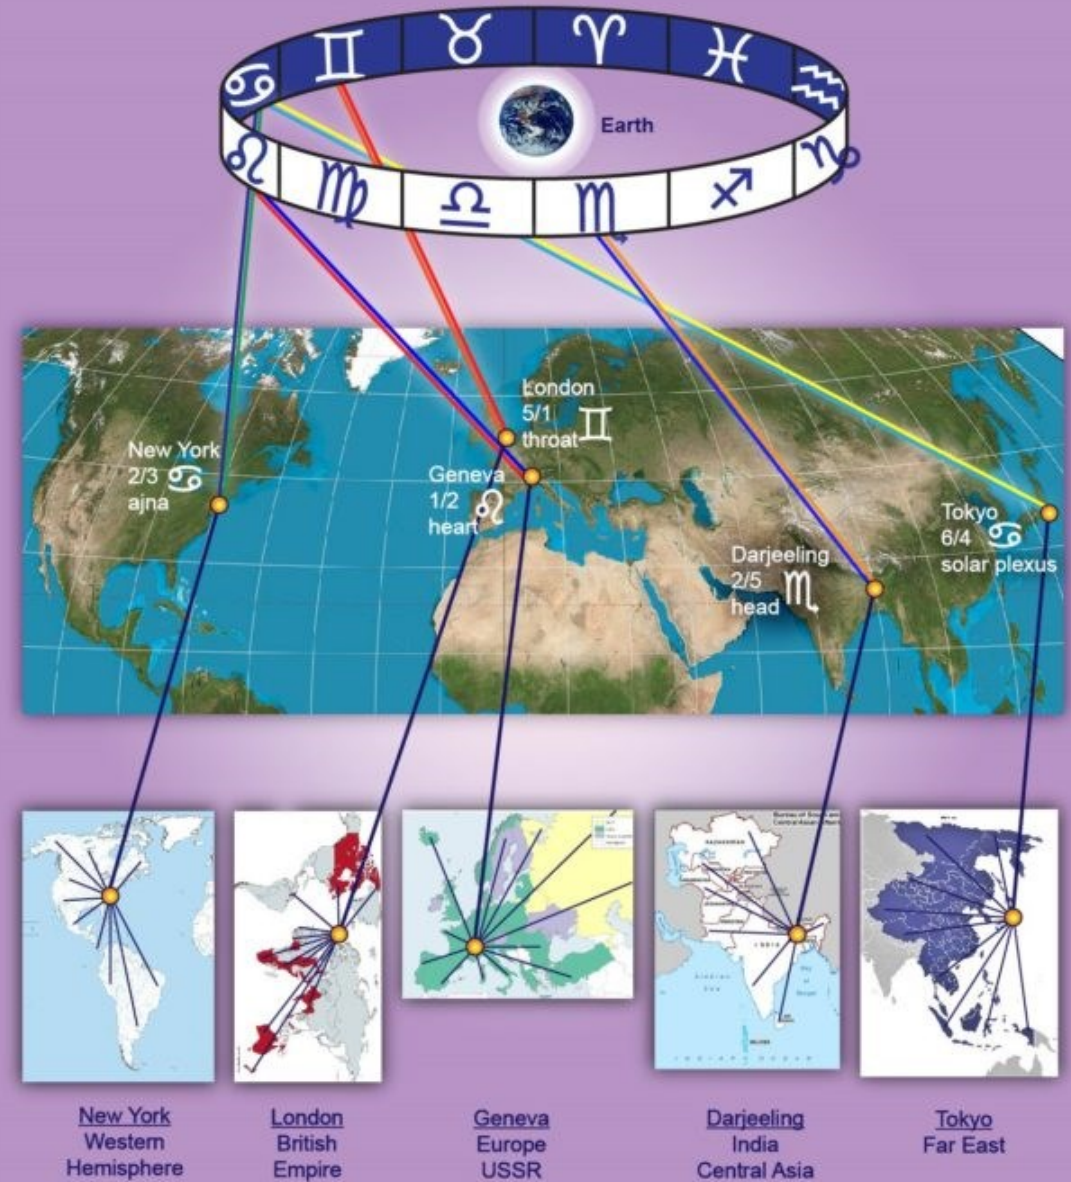

The eye in the triangle

We see **Geneva's mighty fountain** as a symbol of its first ray soul and of spiritual aspiration reaching heavenward - of the **blood that pumps powerfully through the planetary heart.**

Transmission of Rays into Nations

And accordingly we see **Geneva's** direct relation to Hierarchy working through **Darjeeling** ... and the other planetary centres of **London, NYC** and **Tokyo**.

As we hold this visualisation, we proceed to sound the Great Invocation ...

THE GREAT INVOCATION

**From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let Light descend on Earth.**

**From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.**

**From the centre where the Will of God is known
Let purpose guide the little wills of men—
The purpose which the Masters know and serve.**

**From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.**

Let Light and Love and Power restore the Plan on Earth.

The Great Invocation belongs to all humanity. Will you join the millions who daily use this prayer to invoke peace on earth? Become a co-worker in God's Plan, for only through humanity can the Plan work out.

OM OM OM

MEDITATION: LETTING IN THE LIGHT

Personal/group alignment: 3 OMS.

1. **GROUP FUSION**. We affirm the fact of group fusion and integration within the heart centre of the new group of world servers, mediating between Hierarchy and humanity. We sound the formula for group integration:

I am one with my group brothers, and all that I have is theirs.

May the love which is in my soul pour forth to them.

May the strength which is in me lift and aid them.

May the thoughts which my soul creates reach and encourage them.

2. **ALIGNMENT**. We project a line of lighted energy towards the spiritual Hierarchy of the planet, the planetary heart, the great Ashram of Sanat Kumara; and towards the Christ at the heart of Hierarchy.

Extend the line of light towards Shamballa, the centre where the Will of God is known.

3. **HIGHER INTERLUDE**. Hold the contemplative mind open to the extra-planetary energies streaming into Shamballa and radiated through Hierarchy. Using the creative imagination, endeavour to see the three planetary centres—Shamballa, Hierarchy, and Humanity—gradually coming into alignment and interplay.

4. **MEDITATION.**

Reflect on the seed thought - using the appropriate keynote for the zodiacal sign. [2 mins]

Aries I come forth, and from the plane of mind I rule.

5. **PRECIPITATION.** Using the creative imagination, visualise the energies of Light, Love and the Will-to-Good ... pouring throughout the planet and becoming anchored on Earth in prepared physical plane centres through which the Plan can manifest.

(Use the six-fold progression of divine Love as the sequence of energy precipitation--Shamballa/Hierarchy/the Christ/the new group of world servers/men and women of goodwill everywhere in the world/physical centres of distribution.)

6. LOWER INTERLUDE. Refocus the consciousness, as a group, within the periphery of the great Ashram. Together sound the affirmation:

In the centre of all Love I stand. From that centre I, the soul, will outward move. From that centre I, the one who serves, will work. May the love of the divine Self be shed abroad, in my heart, through my group, and throughout the world.

Visualise the downpouring spiritual inflow released from Shamballa through the Hierarchy and streaming into humanity through the prepared channel. Consider how these inpouring energies are establishing the "Pathway of Light" for the coming World Teacher, the Christ.

7. DISTRIBUTION.

As the Great Invocation is sounded, visualise the outpouring of Light and Love and Power from the spiritual Hierarchy through the five planetary inlets (London/Darjeeling/New York/Geneva/Tokyo) irradiating the consciousness of the whole human race:

THE GREAT INVOCATION
