Conference for Aries 2023

European Unity: Toward Global Unification

The goal of the [AWCR](#) is to establish an esoteric education centre based upon a recognised need, as stated by The Tibetan Master, Djwhal Khul:

“Workers increasingly will be drawn to Great Britain and to the continent of Europe. From the United States of America the teaching must go out.

But Europe is the field for the education of the world in the ideas of a true world unity and for the wise presentation of the Plan, from that continent can the inspiration go forth to the East and the West”.

(Discipleship in the New Age I, Alice A. Bailey. p.161. Written in 1935.)

Indeed, during this time of upheaval and fragmentation in Europe, it is urgent to strike a note of unity – working esoterically and subjectively.

Building a new paradigm for the Aquarian Age requires the inner subjective work of meditation and outer work of group gatherings and conferences.

The presenters for this conference have been engaged in this process together for several weeks before the conference.

What is Europe? It is not simply the 27 member states that are part of the European Union.

Politically, Europe is divided into about fifty sovereign states, of which Russia is the largest and most populous.

Reviewing the map here, the land mass of Europe includes the British Isles, Scandinavia and Russia in the far north - extending east to the Caspian Sea, then across eastern and central Europe to Spain and Portugal in the far West.

In short, **Europe** is the sum total of the leading nations, branchraces and subraces of the **Fifth Rootrace** – the synthesis and seeds of which have been transplanted into the **USA**, **Canada**, **Australia**, **New Zealand**, **South Africa** and elsewhere.

Besides the common denominator of English, it is the “language” of the Ageless Wisdom for which Europe is potentially the “field for the education of the world”.

Let us unpack the above quotation by DK:

1. Workers increasingly will be drawn to Great Britain and to the continent of Europe.

This passage was written in 1935, when war was brewing in Europe, and due to constant migrations – all European nations have been infused by cultures as far away as India, the Middle East, South America etc.

2. From the United States of America the teaching must go out”.

This has certainly occurred – there are probably more ageless wisdom students per head of population in the USA than anywhere else.

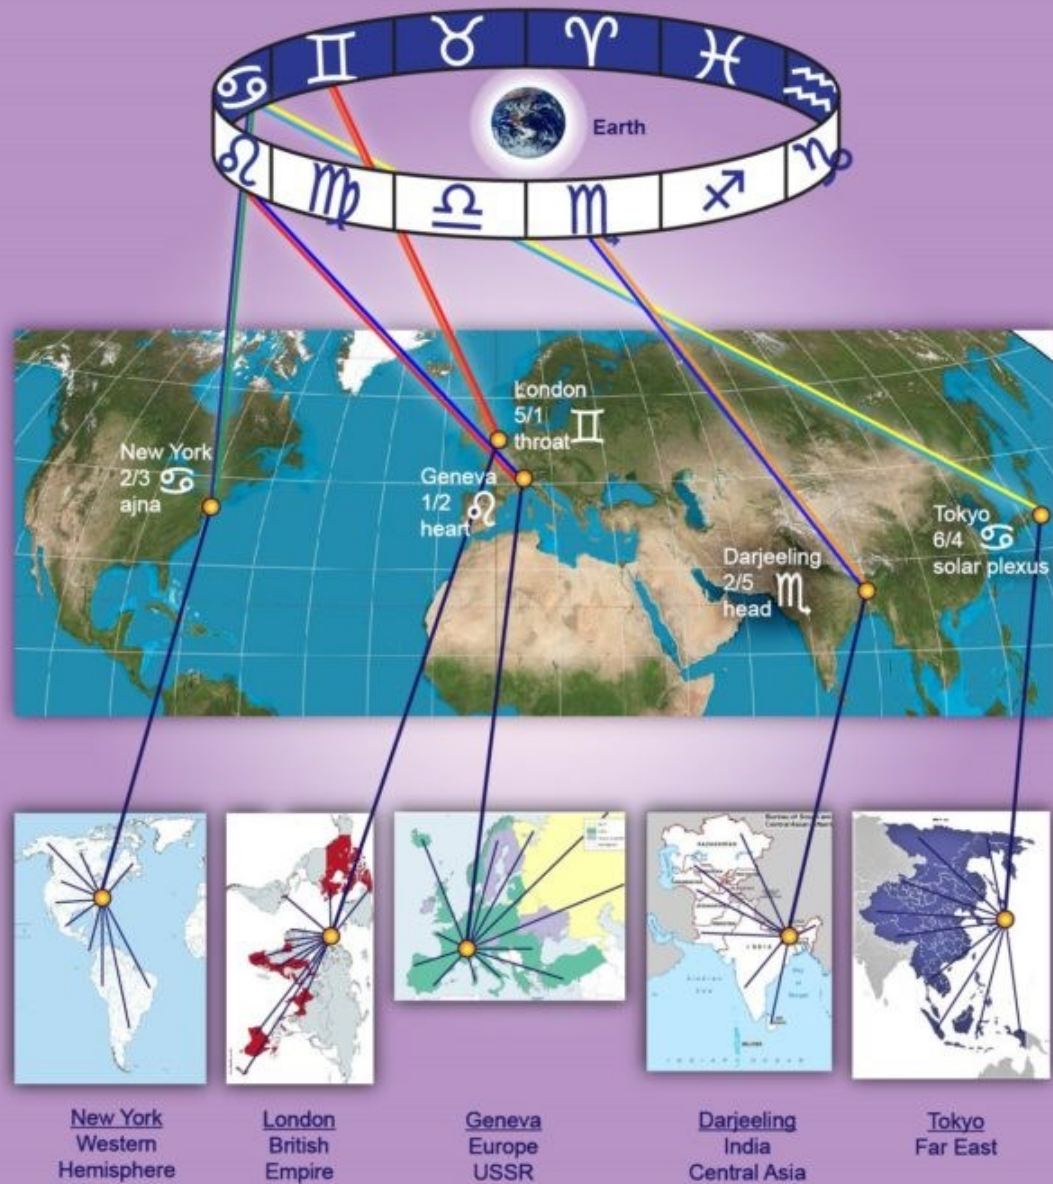

As an **Aquarian soul and Gemini personality**, and through its ancient Atlantean heritage, USA’s planned beginners and advanced esoteric schools (Mid-West and California) – are well placed to promote and disseminate new spiritual teachings.

Additionally, New York City is the throat centre (mind) of the USA – and the proposed **planetary ajna centre**.

NYC was the base from where Helena P. Blavatsky wrote much of *The Secret Doctrine* – and started *The Theosophical Society* in the late 1800’s.

Transmission of Rays into Nations

3. But Europe is the field for the education of the world in the ideas of a true world unity and for the wise presentation of the Plan.

Why Europe instead of the USA? Two of the five major planetary centres – London (throat centre) and Geneva (heart centre) are part of Europe, which contains several spiritually advanced nations.

Through the influence of these planetary centres that embody the mind (London) and heart (Geneva) respectively. *Europe's potential for achieving unity will contribute significantly to planetary unity.*

Geneva lies at the heart of Europe. Note in the mini-map below, Geneva's extensive sphere of influence over all of Europe and Russia (called USSR when DK wrote this passage). Note also Geneva's close proximity to London.

4. ... from that continent can the inspiration go forth to the East and the West”.

Europe is upon the Western peninsula of Eurasia – the world’s largest land mass that encompasses Central Asia, India, China, South-East Asia and Eastern Russia.

Russia is an important component in the global equation – as it **links East and West**.

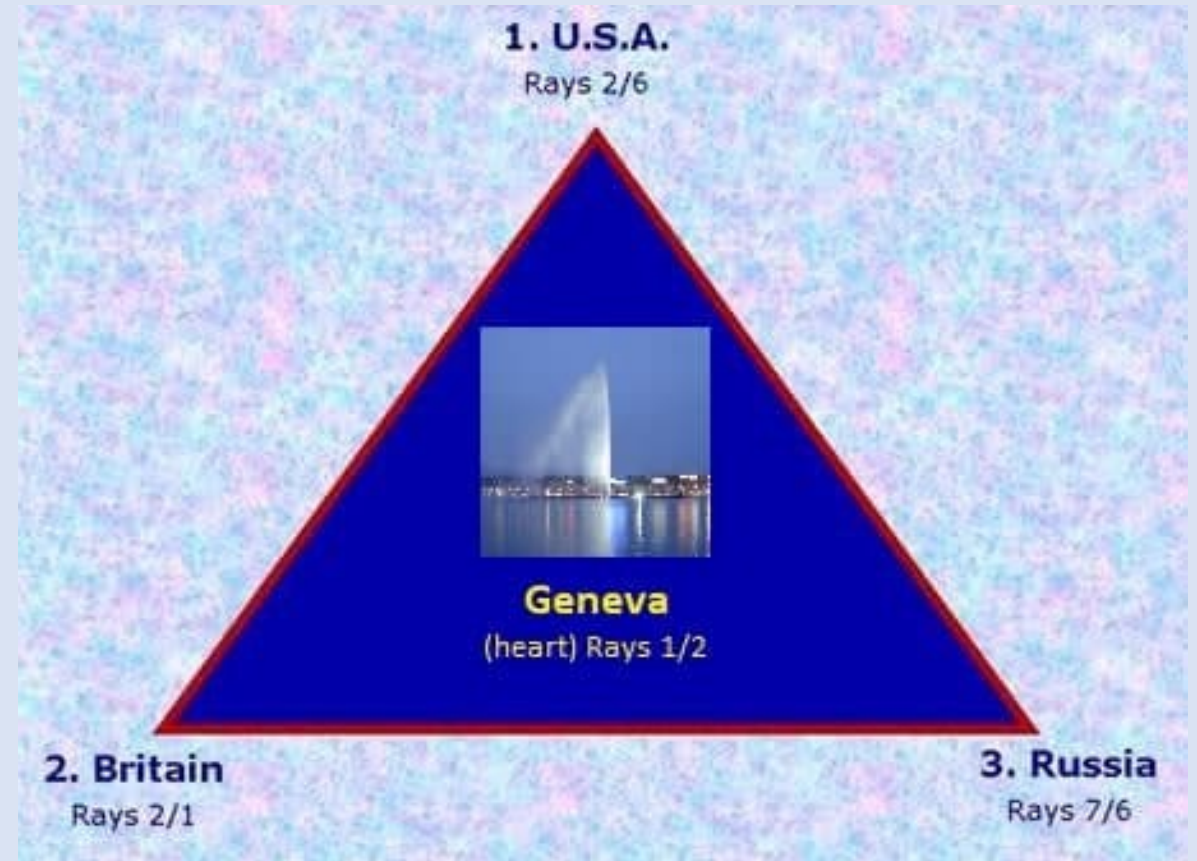

From Russia, two extraordinary women came forth on behalf of the Great White Brotherhood – **H.P. Blavatsky and Helena Roerich**. Other Russian esoteric teachers were **G.I. Gurdjieff and P.D. Ouspensky**.

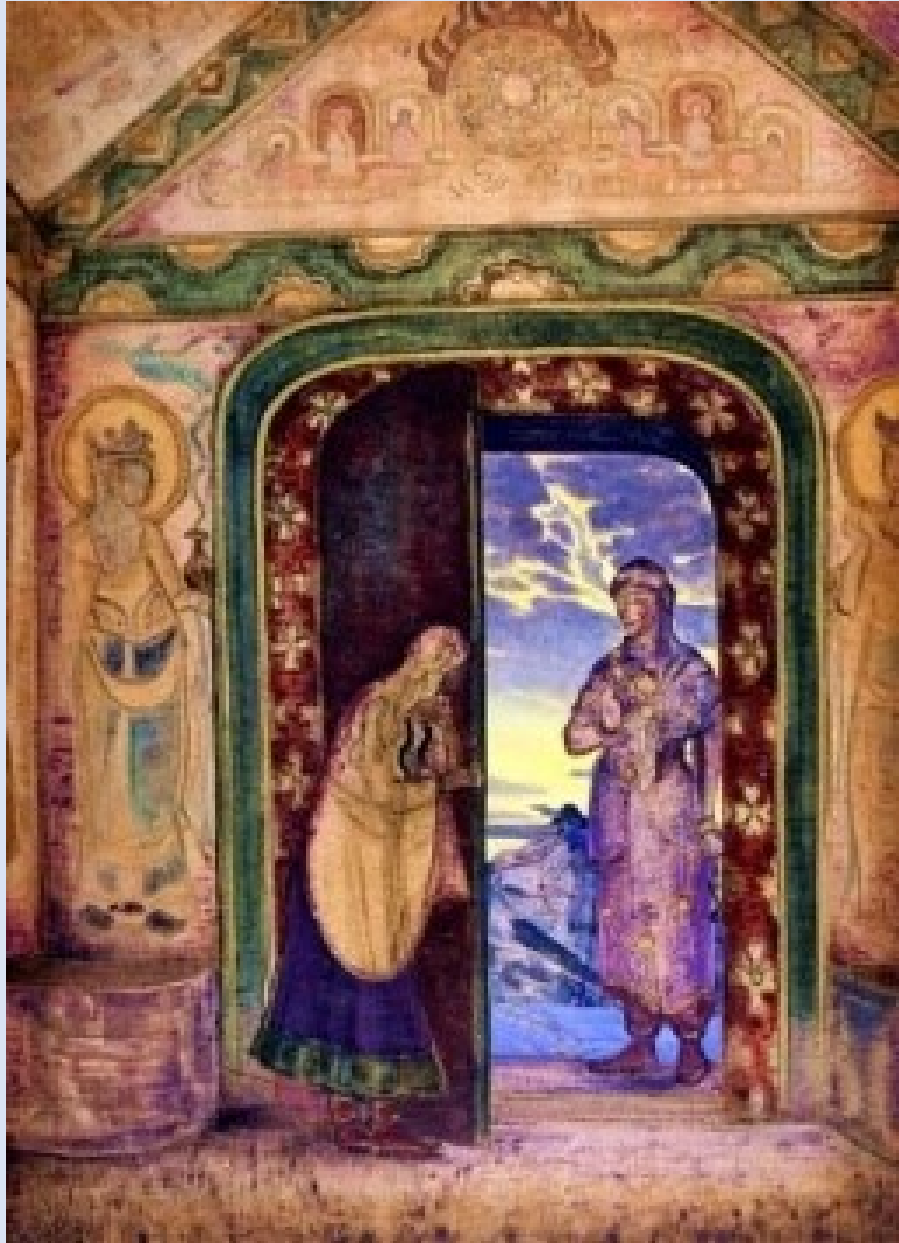

Why Russia – as host of these spiritual teachers? Most likely because of the soul ray of Russia – the **Seventh Ray of Ceremonial Order or Magic** – most conducive to the esoteric Teachings!

The seventh ray is ruled by Uranus which also rules Aquarius, the soul sign of Russia.

Russia is an Aquarian soul with a sixth ray personality – the same combination as the USA; its destiny is to co-operate with the USA and Britain as **an esoteric triangle** that will usher in the Age of Aquarius: Two Aquarian souls, USA and Russia.

Note, the three positions of nations in this triangle are temporary and currently in a stage of flux, or movement from one point to another.

There are also big shifts occurring politically in some nations which are contributing to a disintegration of Europe; this is most likely needed before a reorganisation and reconstruction of right relations between nations can take place.

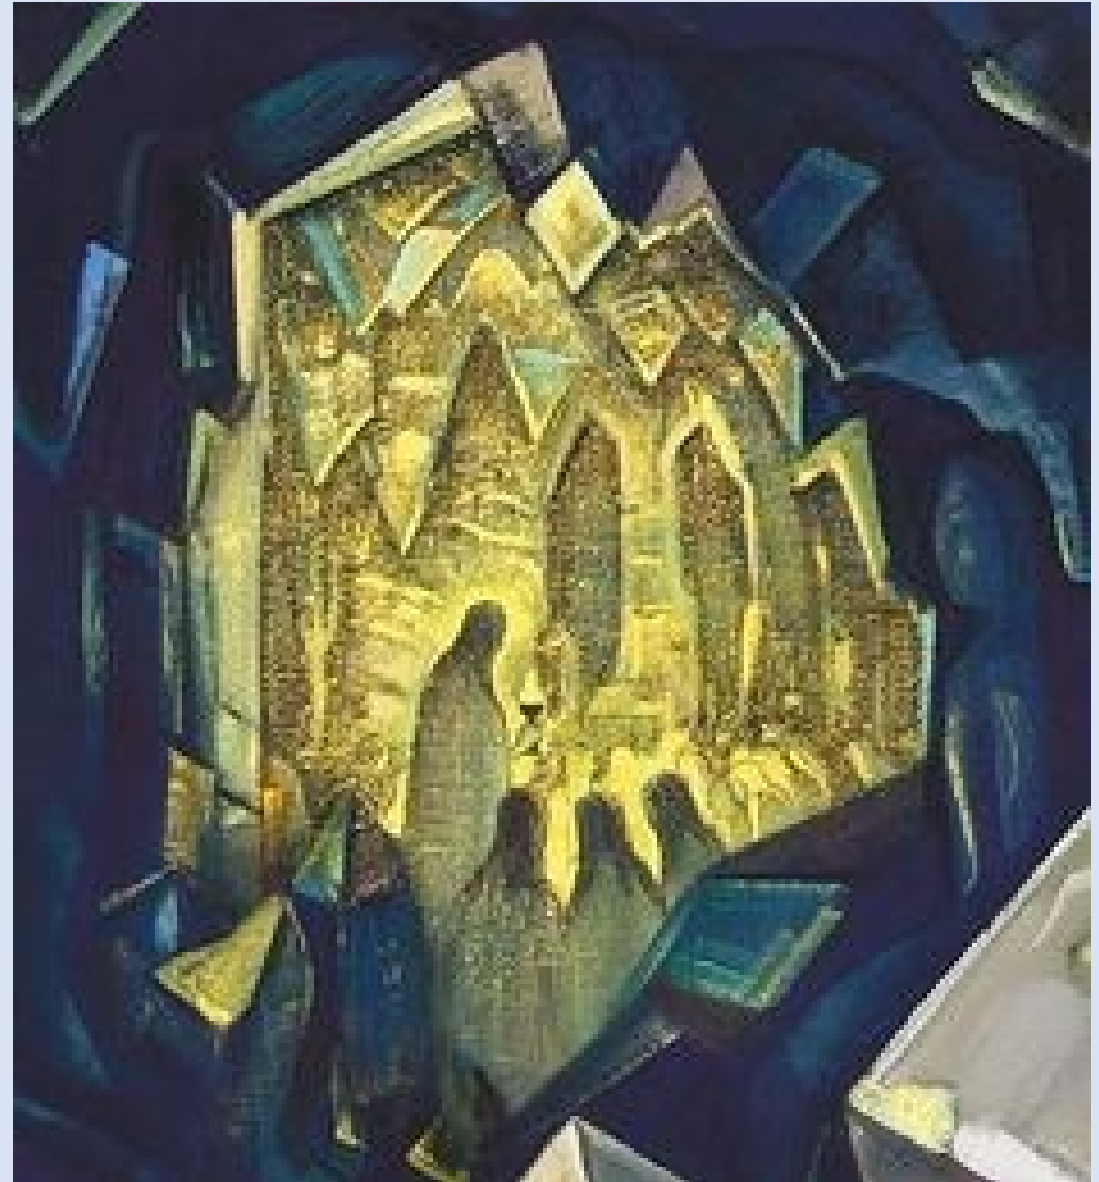

Hence, due to this current impasse through the protracted war in Ukraine – the Hierarchical Plan is being thwarted by the Materialistic Forces that are trying to prevent the co-operation of nations.

And yet it is bringing all issues to a head - that can precede resolution.

As we are aware, all these events are occurring on the eve of Hierarchy's imminent **Centennial Conclave in 2025** – when the date for Their *Externalisation* amongst Humanity will be determined.

History repeats itself – a similar situation to this era of 2025 occurred at the last centennial conclave in 1925, when the forces that started WWI, were reorganising and regrouping for the next showdown in WWII.

A similar expansion of *totalitarian* attitudes is now being emulated in the 2020's by various entities such as The European Commission (EC) and some so-called democratic nations; they are seeking to impose their will upon their own populations, or one country or another.

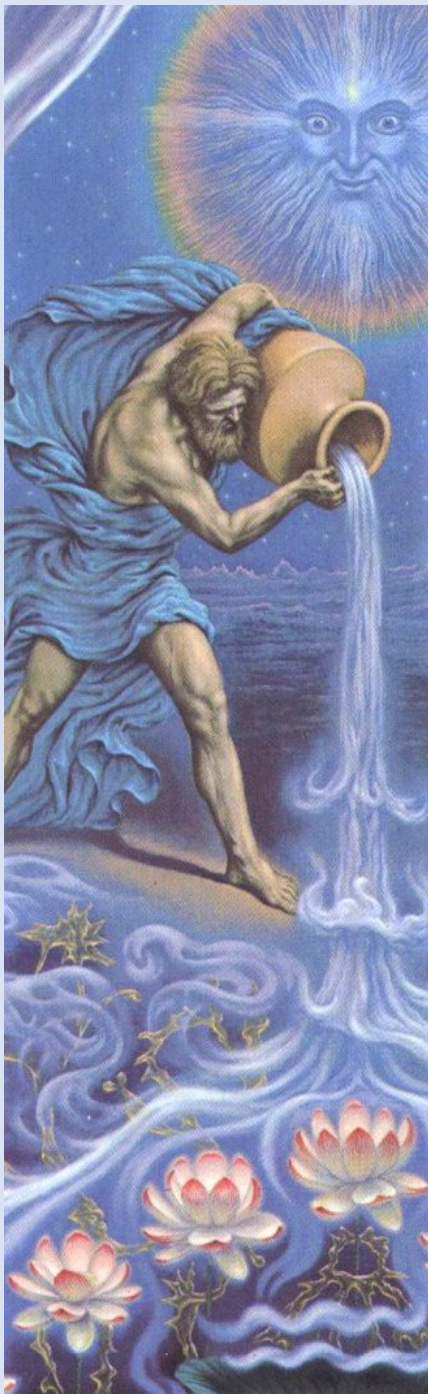

All these actions have been incredibly damaging and separative for Europe and the world – and may take decades to heal.

Yet what is unfolding now is a prime opportunity for the New Group of World Servers to act and subjectively support the intelligentsia of nations.

On this eve of 2025, as Pluto in Capricorn destroys the old structures of the status quo - and which has just moved into Aquarius, the sign of group co-operation, now is the time to link more closely with like-minded esoteric groups in Europe – that can contribute to a subjective reunifying of the nations:

Peace, goodwill, co-operation and the sharing of resources.

There are many progressive thinkers in esoteric groups that work within their own nations, bound by their respective languages – but they have little or no contact with other groups in Europe.

It is the goal of Aquarian Wisdom Centre (Portugal) to bring together co-workers from the nations of Europe and beyond, to attend and make presentations at our first digital conference, to meditate and explore how we can bring diverse views together, examining causes of current events and working with subtle energies – to achieve subjective healing and unification.

What unique gift from the soul of your nation can you share with us at this Festival of Unification?

How can we blend creative ideas and vision the future together? How can we contribute to the ongoing construction of the emerging new paradigm of the Aquarian Age?
